**RESPONSE TO NOTICE OF INCOMPLETE REPLY**

Box MISSING PARTS  
Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the Notice of Incomplete Reply mailed February 28, 2002, Applicants' counsel attaches and files herewith an Abstract of the Disclosure. Applicants traverse the allegation that the previous response to the Notice to File Missing Parts mailed October 24, 2001 was incomplete. In this regard, Applicants' response of December 21, 2001 fulfilled all requirements made in the Notice to File Missing Parts, i.e., the filing of an executed Declaration, a fee of \$65.00, and the claims commencing on a separate sheet. The requirement for

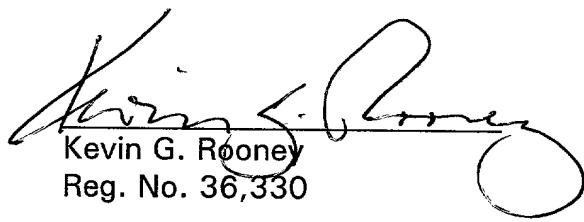

an Abstract was not made by the Patent Office in the Notice to File Missing Parts. Therefore, as to the Notice to File Missing Parts and the requirement made in that paper, Applicants fully complied in their initial response. Therefore, the Notice of Incomplete Reply mailed on February 28, 2002 is, in fact, a new Notice to File Missing Parts and, therefore, Applicants should have been given a new two month time period in which to respond. No extension of time should be required for this response. Applicants could not reply to a request which was not made in the initial Notice to File Missing Parts but is now responding to that requirement as now set forth, for the first time, in the Notice of Incomplete Reply.

A copy of the Notice of Incomplete Reply mailed on February 28, 2002 is included herewith.

If there is any additional matter that may be resolved by telephone or fax, please contact the undersigned at the telephone number listed below.

Applicants believe that no other fees are due in connection with this response. However, if such petition is due or any fees are necessary, the Commissioner may consider this to be a request for such and charge any necessary fees to deposit account 23-3000.

Respectfully submitted,  
WOOD, HERRON & EVANS, L.L.P.
